Introduction of Condonation of Delay Scheme, 2023 for Limited Liability Partnerships

Government has addressed all the difficulties faced by the LLP's in filing **Form-3** (LLP Agreement & its changes), **Form-4** (Notice of appointment, cessation, change in name/address/designation of a designated partner or partner and consent to become a partner / designated partner) and **Form-11** (Annual return of LLP) due to various reasons like mismatch in Master Data in the electronic registry of the Ministry.

Keeping in mind the above-mentioned difficulties, the government in exercise of its power under section 67 of Limited Liability Partnership Act, 2008, has decided to **grant one-time relaxation** in additional fees to those LLP's who could not file the Form-3, Form-4 and Form-11 within the due date and provide an opportunity to update their filings and details in Master-Data for future compliances.

These forms will be available for filing from **01.09.2023 onwards till 30.11.2023** (both dates inclusive).

The filing of Form-11 without additional fee shall be applicable for the **FY 2021-22 onwards**. Form-11 for years prior to FY 2021-22 can be filed with 02 times and 04 times of normal filing fee as additional fee for small LLPs and other than Small LLPs respectively.

The filing of Form-3 & Form-4 without additional fee shall be applicable for events dates **01.01.2021 and onwards**. Form-3 & Form-4 for events dated prior to 01.01.2021 can be filed with 02 times and 04 times of normal filing fee as additional fee for small LLPs and other than Small LLPs respectively.
